Customer Reviews

Big Tommy the Carpenter here. Do you know the current building codes? Most dudes in the trades do not and the codes change over the years as we come up with better building concepts. This is a great reference to have at your desk or in your truck so you are ready for the inspections, the first time. I also use it to point out mistakes or things that were looked over. Big Tommy says, if you are not sure, then this has the answers.

New Castle County, DE did not accept this as valid. It seemed fine to me

all good
