"The Saints and Angels Oracle Cards will help you lovingly and safely connect with Heaven. These cards help you to better hear the messages and guidance that the Holy Trinity, the angels, and the saints have for you and your loved ones." - From the companion bookletIn her newest deck, angel therapist and clairvoyant Doreen Virtue presents 44 cards designed to help individuals to hear guidance from saints, angels, and Christian deities. Like her previous decks, Saints & Angels Oracle Cards feature artwork culled from a variety of artists. As such, the thirteen artists contribute their own visions of particular saints, angels, and celestial images to this particular deck. Over half the cards (23) are attributed to a general "Guardian Angel", indicating a message from a personal angel. Seventeen cards feature popular Catholic saints including "St. Mother Theresa" who, while

beatified, isn't technically a saint. Two Archangels make it into the deck-St. Raphael and St. Michael-and the remaining four cards are dedicated to the Catholic quadrinity: God, Mother Mary, Holy Spirit, and Christ. A 110-page booklet accompanies the deck and the introduction is similar to that of other Virtue decks: rapping a knuckle on the deck to clear energies, shuffling, preparing for a reading, and interpreting a 3-card spread. In this guidebook, Doreen adds that you can read into the future by drawing 7 cards for every day of the upcoming week or 12 cards for every upcoming month of the year. Approximately a page and a half further elaborates on the message of each card. Some of the individuals making an appearance in the Saints & Angels Oracle Cards include: * St. Bernadette - Speak Your Truth* St. Christopher - Safe Travel* St.
