Customer Reviews

I love this coloring book, way better than what I was expecting. The detailed pictures are amazing. The pages are thick and don't bleed through when you use gel pens. I am very impressed and happy with this adult coloring book.

I received this book as a gift and I adore it so much. I've purchased about 10 Coloring Books in the last few months and this one is by far my favorite (I love Horses so I may be a little biased :) This book Contains Over 25 Amazing Horses Designs, Some designs representing the Head of the Horses, while most the Full Body with floral and Zentangle Background, All Printed One Per page which makes it Easy to tear out and color with pencils and Gel pens. I would have loved it, if it has more Horses to color. This book is a great addition to your coloring book collection - a perfect gift for

Horse lovers and people that need a little stress relief in their lives :)

Beautiful illustration. Would recommend gel pens because of the fine lines.

I love the different horses, look forward to coloring them.
