One of my favorite Secret Wars tie in!! I can not stress this enough, but if you're a fan of Ghost Rider, this is a BIG treat: its one big LOVE letter to Ghost Riders old and young!! It was sad to see Robbie Reyes' series get canned, (Who I will go on record and say he is my favorite Ghost Rider.), and it warms the cockles in my heart to see the cast return once again. The art is kind of grimy and a bit cruddy and may turn people off, but I think it works considering this is almost a Mad Max or Death Race 2000 type of style. A lot of cool designs too for the Riders! (Ranging from Carter Slade, who is a FREAKIN Zombie Centaur-Cowboy with a Mini gun on his sides, to a GHOST RIDER T-REX RIDING ON TOP OF AN AIRPLANE!) Also includes a bonus comic from "Secret Love" which involves a team up with Robbie and the new Ms Marvel herself, Kamala Kahn, and an Old school Johnny Blaze story. So if you love the Ghost Rider Mythos, or just wanting to read a crazy yet simple

story, id give it a read.

A fun read. Felipe Smith has done a great job with All New Ghost Rider, and does great things with new and old riders in this volume. If you've already read All New Ghost Rider don't pass this one up!

Good read, very enjoyable, great story.

While not as story driven as the more recent Ghost Rider stories, this is a loving tribute to the Ghost Rider comics and is definitely a recommended read. I had a blast reading this.

Pretty lame. Read only if u love Ghost Rider
