Maze Runner: The Scorch Trials: The Official Graphic Novel Prelude

Synopsis

Escaping the Maze was only the beginning. The world thought it had seen the worst after the Sun Flares struck the Earth's surface, and millions of people were killed. But then an unstoppable illness ravaged the bodies and minds of the remaining survivors. Simply known as the Flare, the disease seemed unstoppable until a cure was discovered, but that relief came at a human cost. Now it's up to Thomas, Teresa and the others, who will discover that while they may have escaped the Maze, they've entered into an experiment more terrifying than anything they could imagine. Explore how the terrifying W.C.K.D. came to be, and how the very first Maze was designed. Discover what it takes to survive in a post-Flare world, against the violent Cranks that have begun to take over humanity, only to learn that the Glade may not be the only Maze W.C.K.D. was running. With over 6.5 million books in print, and an international hit film series, it's plain to see fans lost themselves in James Dashner's bestselling series. Featuring an introduction from Dashner himself, this collection of all new short stories reveals the hidden histories of your favorite Gladers, including Aris, Ava Paige, and Mary Cooper before *The Scorch Trials* hits theaters on September 18.

Book Information

Paperback: 96 pages

Customer Reviews

The story was great, showing what was going on outside of the novel. The artwork was really good as well. My only complaint was the seemingly sporadic jump between locations, time, viewpoints,

and storylines.

I really loved this SO MUCH! I'm a huge Fan of the Maze Runner Series and even though they changed a lot on this to what we read on the books the Graphic Novel is just AMAZING! I Loved the Group B story, Brenda & Jorge's was fine and totally fell in love with Dr Mary Cooper. Any Shank NEEDS to have this!

Beautiful art and high quality pages!

This graphic novel is by far the worst one I've read. Though I haven't read many this one was too complicated. Where were the Gladers. Tresa, Thomas, Newt and everyone else. Last words NOT GOOD!

Daughter enjoyed reading and finished it in an hour.

Fun and easy to learn.....great party game

Was not what it was advertised to be. Comic book version of Maze Runner. Nothing to do with Scorch Trials.

Of course it was great
