Synopsis

A moving story of grief, honesty, and the healing power of art - the ties that bind us together, even when those we love are gone.Melanie and Damon are both living in the shadow of loss. For Melanie, it’s the loss of her larger-than-life artist mother, taken by cancer well before her time. For Damon, itâ ™s the loss of his best friend, Carlos, who took his own life. Â As they struggle to fill the empty spaces their loved ones left behind, fate conspires to bring them together. Damon takes pictures with Carlosâ ™s camera to try to understand his choices, and Melanie begins painting as a way of feeling closer to her mother. But when the two join their schoolâ ™s production of Othello, the play they both hoped would be a distraction becomes a test of who they truly are, both together and on their own. And more than anything else, they discover that it just might be possible to live their lives without completely letting go of their sadness.
