Betrayed!

Synopsis

Betrayed! is the page-turning account of a loving Jewish family caught on divergent prongs of a historic conflict. When Stan Telchin's daughter accepts Jesus as her Messiah, she makes a touching plea for him to search out the truth for himself. Intending to prove her wrong, Telchin sets out on a vigorous and critical examination of the claims of Jesus Christ. He is astonished at what he learns and finds himself facing a wrenching and life-changing decision. As readers travel with Telchin, they too will discover a deeper, fuller awareness of both Judaism and Christianity, as well as how God can heal wounds from the bitterest conflicts. Even more, readers will discover the inexorable power of the gospel. This new edition includes an update from the author and wisdom-filled words on Jewish identity.

Customer Reviews

An extremely moving, absorbing and powerful true story. Stan Telchin in answering a telephone call from his daughter Judy received the worst possible message that a Jewish father could hear from his beloved daughter. The words that revealed that she had accepted Jesus as the Messiah. To his eternal credit, Stan Telchin did not choose the path of so many in isolating and disowning his daughter. Instead he chose the path of love and tried to fully investigate her beliefs with a clear goal of trying to systematically disprove any element of truth that Judy might have in believing Jesus to be the Jewish Messiah. Stan's studies were in depth and lengthy. The story follows him in his goal and surrounds an extremely dramatic family story in seeking out the very roots and foundations of

their Jewish faith. Stan decided to ask himself a number of questions along his journey, such as 'can a Jew accept Jesus as the Messiah and remain a Jew'. Five other basic questions formed the basis of his enquiries;-1) Do I believe that God really exists ?2) Do I believe that the Jewish Bible (The Tenach) is the divinely inspired word of God ?3) Does this Bible prophesy about a coming Messiah ?4) Is Jesus the Messiah ?5) If he is, what does that do to me ?Follow Stan Telchin as he pours over the Scriptures and the history of the Jewish people and their relationship with Christians through the ages. See how he comes to terms with the hostility of many elements of the so-called Christian church, the anti-Semitism emanating from so many, and his arrival at the Truth. Stan, despite being the ultimate critic and with such a heart-felt agenda to restore his Jewish daughter from Christianity, finds that he too can only arrive at one decision.
