## Synopsis

Our 2016 edition provides thorough preparation for the NCBE's multistate professional responsibility exam (MPRE). This book has seven chapters, including an introduction that covers the exam's multiple-choice question characteristics and tips on how to most efficiently prepare. Understanding the examiner's tricks and red herrings helps you get more right answers and score high on the MPRE. All the most current ABA model disciplinary rules for lawyers and judges are included. Over 350 multiple-choice questions with complete answer rationales are presented so you can learn your mistakes. • Question Maps cross reference the ABA rules to our related questions so you learn how the examiners actually test the rules. The textbook also contains dozens of acronyms to help you memorize the components of the rules. The book contains a mock final exam containing average to reasonably difficult questions. ## Customer Reviews

I used Barbri and then my law school recommended this program. I found it much more useful than the Barbri option. I passed the MPRE first time. I credit it to what I learned from Rigos. The actual questions were very similar to the practice questions.

I found the Rigos MPRE materials to be exactly what I needed to prepare for the MPRE. The

process of building the Magic Memory Outlines was very helpful in my study process. Working through all of the questions and using the software to generate questions really prepared me for the exam. There was no wasted time in using the Rigos materials and I would recommend them to anyone who wants an efficient method of tackling the MPRE the first time around. I attribute my respectable score of 120 to Rigos Primer Series Uniform Bar Exam (UBE) MPRE Review.

While the Washington Bar is entering a new format, I used Rigos products to prep for the Winter 2013 Bar at home in Chicago. The magic memory outlines, prior exam questions, practice tests and grading hints were extremely valuable and the Rigos cost was very competitive compared to its rivals. I flew to Tacoma with confidence and passed the exam. I have been out of law school for 11 years and have a busy work schedule and credit Rigos for a great prep product.

I used multiple products and methods to study for the MPRE but found the Rigos book to be the most effective use of my time. The sections and practice questions are divided by topic and this lets you see your strengths and weaknesses. I used the Rigos MPRE book to study for two weeks before the exam and I not only passed the MPRE but did way better than I expected. I recommend this book to all my friends studying for the MPRE.
