March Toward The Thunder

Synopsis

From the multi-award-winning author of *Code Talker* comes a Native American perspective on the Civil War. Louis Nolette, a fifteen-year-old Abenaki Indian from Canada, is recruited to fight in the northern Irish Brigade in the Civil War. Though he is too young, and neither American nor Irish, he finds the promise of good wages and the fight to end slavery persuasive enough to join up. But war is never what you expect, and as Louis fights his way through battles, he encounters prejudice and acceptance, courage and cowardice, and strong and weak leadership in the most unexpected places. This paperback edition includes an author's note, discussion guide, and selected bibliography for further reading. "A fine choice for readers who want war stories that include plenty of action, as well as reflection." —Booklist

Book Information

Lexile Measure: 0850 (What's this?)

Paperback: 320 pages

Publisher: Speak; Reprint edition (September 17, 2009)

Customer Reviews

This is an excellent book. It was purchased for my 13 yo son who found it entertaining and educational.

Loved it. Borrowed it from my reading teacher and thought it was awesome!! I want to buy it so I can have it forever.
