The Forest Speaks: Book 2 - Through The Eyes Of The Dragon (Volume 2)

Synopsis

It has been one year since extraordinary events led Jedda to an incredible discovery that would change her reality forever. With the help of a talking cat, a raven and a Keeper, Jedda journeyed deep into the magical Forest to uncover the shocking truth of her soul's true identity. Now she must learn all she can in order to fulfill her destiny to become the next Keeper - a role that entails nothing less than protecting the ancient Faery Wisdom that has survived for over 13,000 years. But protecting the ancient body of wisdom isn't the only matter of importance, for a darkness stirs that threatens to destroy more than just the Line of Keepers. Meanwhile, the race against Time is on for those of the Forest as they prepare for the auspicious and exceedingly rare event everyone has been waiting for - The Crossing of the Frog and the Mushroom! Can Jedda uncover the truth of an ancient prophecy before the darkness consumes the soul of one she loves? And are those of the Forest able to unravel the dark plot against the Earth in time to save Rose? In this riveting sequel to *Awakening the Rose*, the clock is ticking for Jedda and the others. If darkness prevails, the Earth and all those upon it might sleep forever! The tail moved beneath the earth's surface. It was massive and bold, as it dreamed the Dream of the Earth. The sacred Dreamtime was made for dragons and dragons made for it. Dragons were both Movers and Dreamers. They lay sleeping now on the inner Earth. Where they were no one knew. No one except the Dragon Clan.

Customer Reviews

The Forest Speaks Series of books are an excellent way to help one gain insight into the Faery

Realms. I believe Diomira is a genuine link to remembering these worlds. I love her style of writing, the way she uses the short chapters, and the movement between the timelines. This seems to help to enable being absorbed into the story, and to leave the so called "real" world. It feels so natural that one begins to blend into a vesica pisces state of mind. One evening as I recollected Diomira's work, I had a distinct deja-vu feeling of the Faery Realms, and I felt that I was seeing her story in the Hall of Records. I experienced a beautiful energy welling up from within that I had not felt before. As I witnessed this, I tried to check it with my rational mind, but the energy continued to arise. I know that her story is real then and now. Bob Hawkinson - Chelsea, Oklahoma

I feel inspired while reading this. The message speaks to your soul. Magical and it touch my heart.

Delightful combination of both fantasy and life's lesson.

This writer is connected to the fairy world.
