Synopsis

Tween Bible Puzzles is a reproducible book of Bible activities that can be used with Tweens in Transition or can be used as a stand-alone activity book for tweens. Tween Bible Puzzles contains two puzzles per week for an entire year and covers the Old and New Testaments. Reproducible puzzles allow teachers to select activities that supplement learning in their classroom for only pennies a week. Through reflection questions included with each puzzle the students will begin discussion of the lesson to assist in long-term memory and life application. Â Tween Bible Puzzles contains 104 Bible activities, a scripture index, topical index and answers sheets for all the puzzles. Clear, easy to use indexes help teachers find just the right activity in a snap!

Customer Reviews

These puzzles are great for using in spare minutes after the regular lesson. The students can probably finish them at home or even in church (through the boring parts) if their parents will allow it. There are many different types of puzzles too; not just word search or crosswords and a very helpful index.
