Edgar Cayce's Tales Of Egypt

Synopsis

John Van Auken combines the collection of Egyptian past lives found in the Cayce readings with Egyptian legends that appear in papyrus, on temple walls, and in pyramid texts for a complete picture that reveals the full story of priestesses, healers, female pharaohs, and gods among humans. This book includes more than 80 illustrations with Cayce's insights into the pyramids, ancient flight, the Hall of Records, the Great Initiate, and the seven stages of soul growth.

Customer Reviews

Students of esoterica know that the history of humanity stretches far beyond the 6,000 years of common knowledge. Beyond the dynastic period of ancient Egypt, beyond Babylon and Sumeria - most likely to the sunken continents of Atlantis and Lemuria. And it's likely that the seeds of who we are that were sown so long ago originated from beyond this planet. Edgar Cayce's Tales of Ancient Egypt, as interpreted and related by Cayce scholar John Van Auken, takes us to the period of ancient Egypt's birth and paints an in-depth portrait of the spiritual and political side of its origins. **THE MAN BEHIND THE BOOK** John Van Auken has been studying Cayce's voluminous readings for the past 40 years, specializing in the ancient mysteries and lost civilizations. Auken is also a director at Cayce's Association for Research and Enlightenment (A.R.E.). Auken has also written From Karma to Grace: The Power of the Fruit of the Spirit (a book on spiritual living based on Cayce's readings) and Edgar Cayce and the Kabbalah. Cayce's readings, which were transcribed

while Cayce was in a trance state accessing the Akashic Records, are often filled with archaic and confusing language. Cayce's readings are usually not easily understood.
